

Amendments to the Claims:

Please cancel Claims 25 through 27, 29 through 42, 44 through 48, 50 through 51, 53 through 54 and 59.

The following listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1-48. (Cancelled)

49. (Currently Amended) A window comprising a building skylight adapted to be attached to the roof of a building, wherein the building skylight comprises:

a main body being arched in the shape of a parabola or a V and having an apex, a base, a first length at substantially the apex and a second length at the base, wherein the first length is less than the second length;

first and second end portions being disposed at first and second ends of the main body, respectively, each of the end portions having a top section and a bottom section, wherein the top sections define the first length and the bottom sections define the second length; and

a corrugation disposed on the main body,

wherein at least one of the end portions slopes toward the apex at an angle of between about 35 ~~45~~ and about 65 ~~85~~ degrees relative to the base.

50-51. (Cancelled)

52. (Previously submitted) The window of Claim 49, wherein the angle is about 45 degrees.

53-54. (Cancelled)

55. (Previously submitted) The window of Claim 49, wherein the corrugation is semi-hexagonally shaped.

56. (Previously submitted) The window of Claim 55, wherein the corrugation comprises two planar sides and a planar top surface.

57. (Previously submitted) The window of Claim 56 wherein at least one of the two planar sides slopes toward a midpoint of the corrugation at an angle of about 45 degrees.

58. (Previously submitted) The window of Claim 49, wherein the corrugation has a generally sinusoidal shape.

59. (Cancelled)
